MULTI-APARTMENT PANELS

Price from 10.04.2025

The specifications and appearance of products may differ from those stated or may change without prior notice.

AA-14FBIS

BLACK (EAN: 5060514915448)
SILVER (EAN: 5060514915462)

 [Datasheet](#)

Specifications

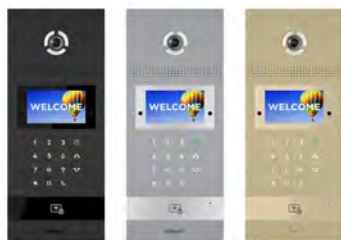

- Screen: 10.1" IPS touch panel, 1280×800
- Camera: 2 MP, Full HD video
- Power: 12V DC / PoE 802.3at
- Installation: Flush / Surface (optional all-weather bracket BR-AA14C)
- Protection: IP65, IK06
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), PIN, FaceID, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Large display with customizable UI, contact book
- Wiegand & Induction loop output
- Multiple unlock methods, including multifactor authentication
- Delivery feature
- Elevator control, KONE integration

AA-12FBI

BLACK (EAN: 5060514915417)
SILVER (EAN: 5060514915431)
GOLD (EAN : 5060514915424)

 [Datasheet](#)

Specifications

- Screen: 4.3" TFT color display and backlight
- Camera: 2 MP, Full HD video
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional bracket BR-AA12)
- Protection: IP65, IK07
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), PIN, FaceID, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Stylish design with backlit piezo buttons
- Wiegand & Induction loop output
- Multiple unlock methods, including multifactor authentication
- Link software support

*AA-12FBI Gold & Silver: available for MOQ orders only

AA-07FBI

SILVER (EAN: 5060514915394)

 [Datasheet](#)

Specifications

- Screen: 4.3" TFT color display and backlight
- Camera: 2 MP, Full HD video
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional all-weather bracket BR-AA7C)
- Protection: IP65, IK07
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), PIN, FaceID, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multi-format reader with UKEY support
- Multifactor authentication including face recognition
- Wiegand & Induction loop output
- Link software support

AA-07FBI SS

STAINLESS STEEL (EAN: 5060514915400)

 [Datasheet](#)

Specifications

- Screen: 4.3" TFT color display and backlight
- Camera: 2 MP, Full HD video
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional all-weather bracket BR-AA7C)
- Protection: IP65, IK08
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), PIN, FaceID, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Vandal-resistant Stainless steel body
- Wiegand & Induction loop output
- Multiple unlock methods, including multifactor authentication
- Link software support

AA-07BD

SILVER (EAN: 5060514914328)

 [Datasheet](#)

Specifications

- Screen: 4.3" TFT color display and backlight
- Camera: 2 MP, HD video
- Power: 12V DC
- Installation: Flush / Surface (optional all-weather bracket BR-AA7C)
- Protection: IP65, IK07
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), PIN, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multi-format reader with UKEY support
- Wiegand output
- Link software support
- Extensive user-friendly configurations via Web

BI-02FBI

BLACK (EAN: 5060514915868)
SILVER (EAN: 5060514915882)
GOLD (EAN : 5060514915875)

 [Datasheet](#)

Specifications

- 2-apartment entrance panel with concierge call button
- Camera: 2 MP, Full HD video
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional bracket BR-AA12)
- Protection: IP65, IK08
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), PIN, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multiple unlock methods, including multifactor authentication
- 3 LED indicators: calling, talking, lock-release
- Wiegand & Induction loop outputs
- Replaceable name tags for apartments
- Link software support

Available for MOQ orders only

BI-04FBI

BLACK (EAN: 5060514915899)
SILVER (EAN: 5060514915912)
GOLD (EAN : 5060514915905)

 [Datasheet](#)

Specifications

- 4-apartment entrance panel with concierge call button
- Camera: 2 MP, Full HD video
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional bracket BR-AA12)
- Protection: IP65, IK08
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), PIN, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multiple unlock methods, including multifactor authentication
- 3 LED indicators: calling, talking, lock-release
- Wiegand & Induction loop outputs
- Replaceable name tags for apartments
- Link software support

BI-04FBI BLACK & GOLD: available for MOQ orders only

BI-08FBI

BLACK (EAN: 5060514915929)
SILVER (EAN: 5060514915943)
GOLD (EAN : 5060514915936)

 [Datasheet](#)

Specifications

- 8-apartment entrance panel with concierge call button
- Camera: 2 MP, Full HD video
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional bracket BR-AA12)
- Protection: IP65, IK08
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), FaceID, PIN, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multiple unlock methods, including multifactor authentication
- 3 LED indicators: calling, talking, lock-release
- Wiegand & Induction loop outputs
- Replaceable name tags for apartments
- Link software support

BI-08FBI BLACK & GOLD: available for MOQ orders only

BI-12FBI

BLACK (EAN: 5060514915950)
SILVER (EAN: 5060514915974)
GOLD (EAN : 5060514915967)

 [Datasheet](#)

Specifications

- 12-apartment entrance panel with concierge call button
- Camera: 2 MP, Full HD video
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional bracket BR-AA12)
- Protection: IP65, IK08
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), FaceID, PIN, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multiple unlock methods, including multifactor authentication
- 3 LED indicators: calling, talking, lock-release
- Wiegand & Induction loop outputs
- Replaceable name tags for apartments
- Link software support

Available for MOQ orders only

Obelisk OB-01

Stainless Steel / Matt Black / Stone / Wood / Glass /
Compound / Moss

 [Datasheet](#)

Specifications

- Unique intercom column with a 10" high-resolution IPS touch screen
- Integrated surveillance 2MP camera
- Power: 12V DC / PoE 802.3at
- Installation: Floor-mounted, indoor/outdoor use
- Protection: Designed for extreme temperatures (-40°C to +65°C), vandal-resistant steel body and screen protection
- Access Methods: UKEY & Link APP, FaceID, PIN, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Red Dot Award winner – Best of the Best for revolutionary design
- Modular design with customizable panel materials and colors
- Concierge call button with illuminated indicator
- Multiple unlock methods including guest access via car license plates recognition
- Multifactor authentication
- Built-in phonebook for residential complexes and commercial spaces
- Elevator control, KONE integration

INDIVIDUAL CALL PANELS

Price from 10.04.2025

The specifications and appearance of products may differ from those stated or may change without prior notice.

AV-08FBIL

SS BLACK (EAN: 5060514915479)
SS SILVER (EAN: 5060514915493)

 [Datasheet](#)

Specifications

- Premium entrance panel with 2MP Full HD camera
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional all-weather bracket BR-AV8FBLC)
- Protection: IP65, IK07
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), FaceID, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Stainless steel body
- 3 LED indicators: calling, talking, lock-release
- Multiple unlock methods, including multifactor authentication
- Wiegand I/O & Induction loop output
- Power supply for an electro-mechanical lock
- Link software support

AV-08FBL

BLACK (EAN: 5060514914649)
SILVER (EAN: 5060514914663)

 [Datasheet](#)

Specifications

- Entrance panel with 2MP Full HD camera
- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional all-weather bracket BR-AV8FBLC)
- Protection: IP65, IK07
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), FaceID, QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multiple unlock methods, including multifactor authentication
- Piezoelectric call button
- Wiegand I/O support
- Power supply for electro-mechanical lock
- Link software support

AV-03BD

BLACK (EAN: 5060514912607)
SILVER (EAN: 5060514912614)

 [Datasheet](#)

Specifications

- Individual entrance panel with touch call button
- Camera: 2 MP, HD video
- Power: 12V DC / PoE 802.3af
- Installation: Surface
- Protection: IP64, IK06
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), QR code, Guest Links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multi-format reader with UKEY support
- Wiegand Output, Alarm Input, RS-485, Relay
- Included rain cover
- Link software support
- Extensive access control settings via Web

AV-04SDI

BLACK (EAN: 5060514916148)
SILVER (EAN: 5060514916155)

 [Datasheet](#)

Specifications

- Individual panel with an upgraded call button design and hermetically sealed back cover
- Camera: 2 MP, HD video
- Power: 12V DC / PoE 802.3af
- Installation: Surface
- Protection: IP65, IK07
- Access: Link APP, QR code, Guest links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multiple interfaces: RS-485, Relay, Alarm inputs, Induction loop Output
- Link software support
- Extensive user-friendly configurations via Web

AV-04FDI

BLACK (EAN: 5060514916124)
SILVER (EAN: 5060514916131)

 [Datasheet](#)

Specifications

- Individual panel with an upgraded call button design and hermetically sealed back cover
- Camera: 2 MP, HD video
- Power: 12V DC / PoE 802.3af
- Installation: Flush
- Protection: IP65, IK07
- Access: Link APP, QR code, Guest links, Car Plate ID, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Multiple interfaces: RS-485, Relay, Alarm inputs, Induction loop Output
- Link software support
- Extensive user-friendly configurations via Web

AV-04AFDI AUDIO

SILVER (EAN: 5060514916452)
GREEN (EAN: 5060514916438)
RED (EAN: 5060514916445)

 [Datasheet](#)

Specifications

- Emergency entrance panel with an upgraded mechanical call button
- Power: 12V DC / PoE 802.3af
- Installation: Flush
- Protection: IP65, IK08
- Access: Link APP, Guest Links, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Custom text or logo engraving via service center (MOQ applies)
- Multiple interfaces: RS-485, Relay, Alarm inputs, Induction loop Output
- Link software support

AV-06M

BLACK (EAN: 5060514915608)
SILVER (EAN: 5060514915615)

 [Datasheet](#)

Specifications

- Compact single-button entrance panel with security features
- Quality camera: 2 MP, Full HD video, 110° (H)
- Power: 12V DC / PoE 802.3af
- Installation: Surface
- Protection: IP65, IK06
- Access: MIFARE (13.56 MHz), QR code, Guest Links, Car Plate ID, Link app, Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- LED status indicators: call, talk, lock release
- Wi-Fi 2.4 GHz
- Multiple interfaces: Wiegand I/O, RS-485, Relay, Alarm inputs
- Included rain cover
- Link software support

CONCIERGE TERMINAL

Price from 10.04.2025

The specifications and appearance of products may differ from those stated or may change without prior notice.

AM-02

BLACK (EAN: 5060514912768)

 [Datasheet](#)

Specifications

- Screen: 10.1" TFT LCD touchscreen
- Two physical buttons (Unlock, Camera view)
- Power: 12V DC / PoE 802.3af
- Installation: Desktop
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Up to 100 IP cameras support
- Quick-search contact book
- Customizable touchscreen interface
- Selectable standby modes ("Tour," "Quad")
- Link software support

INDOOR MONITORS

Price from 10.04.2025

The specifications and appearance of products may differ from those stated or may change without prior notice.

AT-10

BLACK (EAN: 5060514910405)
WHITE (EAN: 5060514910412)

 [Datasheet](#)

Specifications

- 10" IPS LCD touchscreen (1280×800)
- Power: 12V DC / PoE 802.3af
- Installation: Surface / Flush / Desktop (optional bracket BR-AT10)
- Supports up to 32 IP cameras & 9 panels
- 8 alarm inputs for sensors, siren & doorbell
- MicroSD slot for photo, video & audio recording
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Sleek design with a durable aluminum body
- Built-in camera & Wi-Fi
- Web browser
- Customizable UI, sounds & security scenes and contact book
- Link software support

AT-07

BLACK (EAN: 5060514910375)
WHITE (EAN: 5060514910382)

 [Datasheet](#)

Specifications

- 7" IPS LCD touchscreen (1024×600)
- Power: 12V DC / PoE 802.3af
- Installation: Surface / Flush / Desktop (optional bracket BR-AT07)
- Supports up to 32 IP cameras & 9 panels
- 8 alarm inputs for sensors, siren & doorbell
- MicroSD slot for photo, video & audio recording
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Sleek design with a durable aluminum body
- Built-in camera & Wi-Fi
- Web browser
- Customizable UI, sounds & security scenes and contact book
- Link software support

AZ-07LF

BLACK (EAN: 5060514915196)
WHITE (EAN: 5060514915226)

 [Datasheet](#)

Specifications

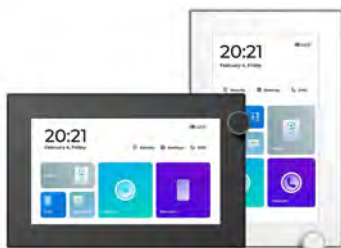

- 7" IPS LCD touchscreen (1024x600)
- Power: 12V DC / PoE 802.3af
- Installation: Surface
- Supports up to 32 IP cameras & up to 9 panels
- 8 alarm inputs for sensors, siren & doorbell
- MicroSD slot for photo, video & calls recording
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Portrait and landscape display mode
- Quick unlock button
- Wi-Fi connectivity
- Web browser
- Customizable UI, sounds & security scenes and contact book
- Link software support

AZ-07LL

BLACK (EAN: 5060514915233)
WHITE (EAN: 5060514915264)

 [Datasheet](#)

Specifications

- 7" TFT LCD touchscreen (800 x 480)
- Power: 12V DC / PoE 802.3af
- Installation: Surface
- Supports up to 8 IP cameras & up to 9 panels
- 8 alarm inputs for sensors, siren & doorbell
- Record photo to internal memory
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Portrait and landscape display mode
- Quick unlock button
- Configurable screensavers & security scenes
- Contact book management
- Link software support

AU-04LAF

BLACK (EAN: 5060514914939)
WHITE (EAN: 5060514914946)

 [Datasheet](#)

Specifications

- Compact monitor with 4.3" TFT LCD touchscreen, (480 x 272)
- Power: 12V DC / PoE 802.3af
- Installation: Surface
- Supports up to 8 IP cameras & up to 9 panels
- 4 alarm inputs for sensors, siren & doorbell
- Record photo to internal memory
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- Touchscreen with 5 quick control buttons
- Option to connect an additional SP-AU handset (sold separately)
- Built-in Wi-Fi
- Configurable screensavers & security scenes
- Contact book management
- Link software support

SP-03F

BLACK (EAN: 5060514914953)
WHITE (EAN: 5060514914960)

 [Datasheet](#)

Specifications

- Audio Intercom unit with 6 quick access buttons
- Power: 12V DC / PoE 802.3af
- Installation: Surface
- Supports up to 9 panels
- 4 alarm inputs for sensors, siren & doorbell
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty

Main features

- 6 buttons offering 12 functions via short/long press
- Option to connect an additional SP-SP handset (sold separately)
- Built-in Wi-Fi & status light indication
- Configurable security scenes & DND mode
- Link software support

ACCESSORIES

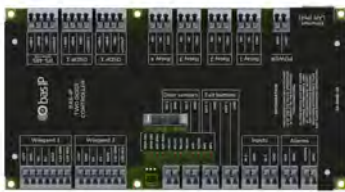

Price from 10.04.2025

The specifications and appearance of products may differ from those stated or may change without prior notice.

CE-44P

EAN: 5060514916162

 [Datasheet](#)

NewGen Door Controller – secure and flexible access control for commercial and residential applications.

Specifications

- 2 Wiegand ports, 2 OSDP v2.2 ports
- 4 relays, support for door sensors & exit/aux buttons
- Power: 12V DC / PoE 802.3af
- Installation: 4 mounting holes for M3 screws
- Open API
- 3-year warranty
- Configuration of each interface and input
- Configurable time limits for identifiers & relay operation
- Stores up to 100,000 identifiers
- Fire alarm input
- Link software support

CR-02BD

BLACK (EAN: 5060514913734)
SILVER (EAN: 5060514913727)

 [Datasheet](#)

External contactless reader with built-in controller and UKEY mobile support

Specifications

- Power: 12V DC / PoE 802.3af
- Installation: Flush / Surface (optional with all-weather bracket BR-AV2C)
- Protection: IP65, IK07
- Access: UKEY & Link APP, RFID (Mifare & EM-Marine), Apple Watch unlock (via Link APP PLUS)
- Network: SIP 2.0, P2P, HTTP, MQTT
- Open API for integrations
- 3-year warranty
- Integrated controller for up to 20,000 identifiers
- Multiple interfaces: Wiegand output, RS-485, Relay, Alarm inputs
- Link software support

EVRC-IP

EAN: 5060514912478

 [Datasheet](#)

Elevator Access Controller

Specifications

- Manages elevator access for up to 16 floors
- Supports up to 98 modules per system
- Power: PoE 802.3af
- 3-year warranty
- Integration with elevator system via dry contacts
- Call elevator via monitor, Link app, or entrance panel
- Floor access control per identifier
- Fire alarm input for elevator lock in case of emergency

UPS-3DP

EAN: 5060514911709

 [Datasheet](#)

Intelligent Multi-Line UPS

Specifications

- 3 independent power lines with voltage selection (12V/15V/18V)
- 2 exit button inputs, 2 lock inputs
- 2 relays with configurable activation time
- Total output: 8A
- 3-year warranty
- Power factor correction (PFC) feature for high-efficiency operation
- Fire alarm input supporting electromechanical/electromagnetic lock modes
- Battery backup support (12V 7Ah, sold separately)

UPS-DP/F

BLACK (EAN: 5060514914700)

 [Datasheet](#)

Uninterruptible Power Supply provides up to 3.5A with built-in control for electromagnetic and electromechanical locks.

Specifications

- Fire alarm input
- Relay output
- Exit button connection
- Configurable lock opening time
- 3-year warranty

SH-12

EAN: 5060514915516

 [Datasheet](#)

Wiegand Interface Module

Specifications

- Connects card readers, keypads, and access controllers to BAS-IP panels via RS485
- Supports both Wiegand input and output interfaces
- Power: 12V DC (powered by BAS-IP panel)
- Surface-mounted installation
- 3-year warranty

SH-42 Series

SH-42.2 (EAN: 5060514916032)
SH-42.4 (EAN: 5060514915042)
SH-42.6 (EAN: 5060514915059)
SH-42.8 (EAN: 5060514915066)

 [Datasheet](#)

Expandable Lock Control Modules

Specifications

- Two built-in relays per module (expandable to control up to 8 locks)
- Communication with call panel via RS-485
- Inputs for fire equipment & exit buttons
- Switchable contact group on each relay
- Power: 12V DC
- Surface-mounted installation
- 3-year warranty

Note: Each SH-42 module is sold separately

SW-02

EAN: 5060514912331

 [Datasheet](#)

Two-Wire IP Converter

Specifications

- Extends Ethernet IP over existing two-wire infrastructure
- Supports IP devices via two-wire or Ethernet (UTP CAT 5)
- Power: 12V DC
- Surface-mounted installation
- 3-year warranty

SW-10

EAN: 5060514912355

 [Datasheet](#)

Two-Wire Ethernet Switch

Specifications

- Ideal for retrofitting older buildings with two-wire infrastructure
- Supports up to 8 IP devices (via SW-02 converters) and 3 SW-10 switches in cascade
- Power: 48V DC, 2.2A
- DIN-rail mounting
- 3-year warranty

SP-SP

BLACK (EAN: 5060514913277)
WHITE (EAN: 5060514913284)

 [Datasheet](#)

Handset

Specifications

An additional handset that connects directly to the SP-03, SP-03F. The solution is ideal for those who want privacy in conversations.

- 3-year warranty

SP-AU

BLACK (EAN: 5060514910337)
WHITE (EAN: 5060514910320)

 [Datasheet](#)

Handset

Specifications

An additional handset that connects directly to the AU-04LA, AU-04LAF. The solution is ideal for those who want privacy in conversations.

- 3-year warranty

SH-45TE

BLACK (EAN: 5060514913253)
SILVER (EAN: 5060514913239)

 [Datasheet](#)

Touch-Free Stainless Steel Exit Button

Specifications

- Contactless activation with 15-25 cm detection range
- IP68-rated AISI 316 stainless steel housing
- Power: 12V DC
- Surface-mounted installation
- 3-year warranty

- 100M+ activation lifespan
- Adjustable backlight color
- Trigger mode support

BRACKETS

1-Year Warranty Included for All Brackets

Price from 10.04.2025

The specifications and appearance of products may differ from those stated or may change without prior notice.

BR-AV2C

BLACK (EAN: 5060514916230)
SILVER (EAN: 5060514916247)

Specifications

- Improved, durable surface mount bracket for outdoor use
- Compatible with CR-02BD external reader
- 1-year warranty

 [Datasheet](#)

BR-AV8FBLC

BLACK (EAN: 5060514911686)
SILVER (EAN: 5060514911693)

Specifications

- More durable surface mount bracket for outdoor use
- Compatible with AV-08FBL, AV-08FBIL Panels
- 1-year warranty

 [Datasheet](#)

BR-AA7 STAINLESS

STAINLESS (EAN: 5060514914281)

Specifications

- Vandal-resistant stainless surface mount bracket
- Compatible with all AA-07 Series Panels (AA-07BD, AA-07FB, AA-07FBI)
- 1-year warranty
